Hi Shari,

I've added some language to the cost section. This is what I hope to cover tomorrow. Thanks for sending!

Thanks!
Karen

Kathy: Here's a draft of the non-significance rationale for 404(g). See the section I highlighted for you to see if you have anything to add. Make whatever changes you'd like to.

Karen: Kathy suggested you might be able to fill in the cost section. I don't have the needed info or background to adequately address it.

Let me know if I can help with this in the morning.

Shari
